

# CITY BLACKOUT SHELTERS

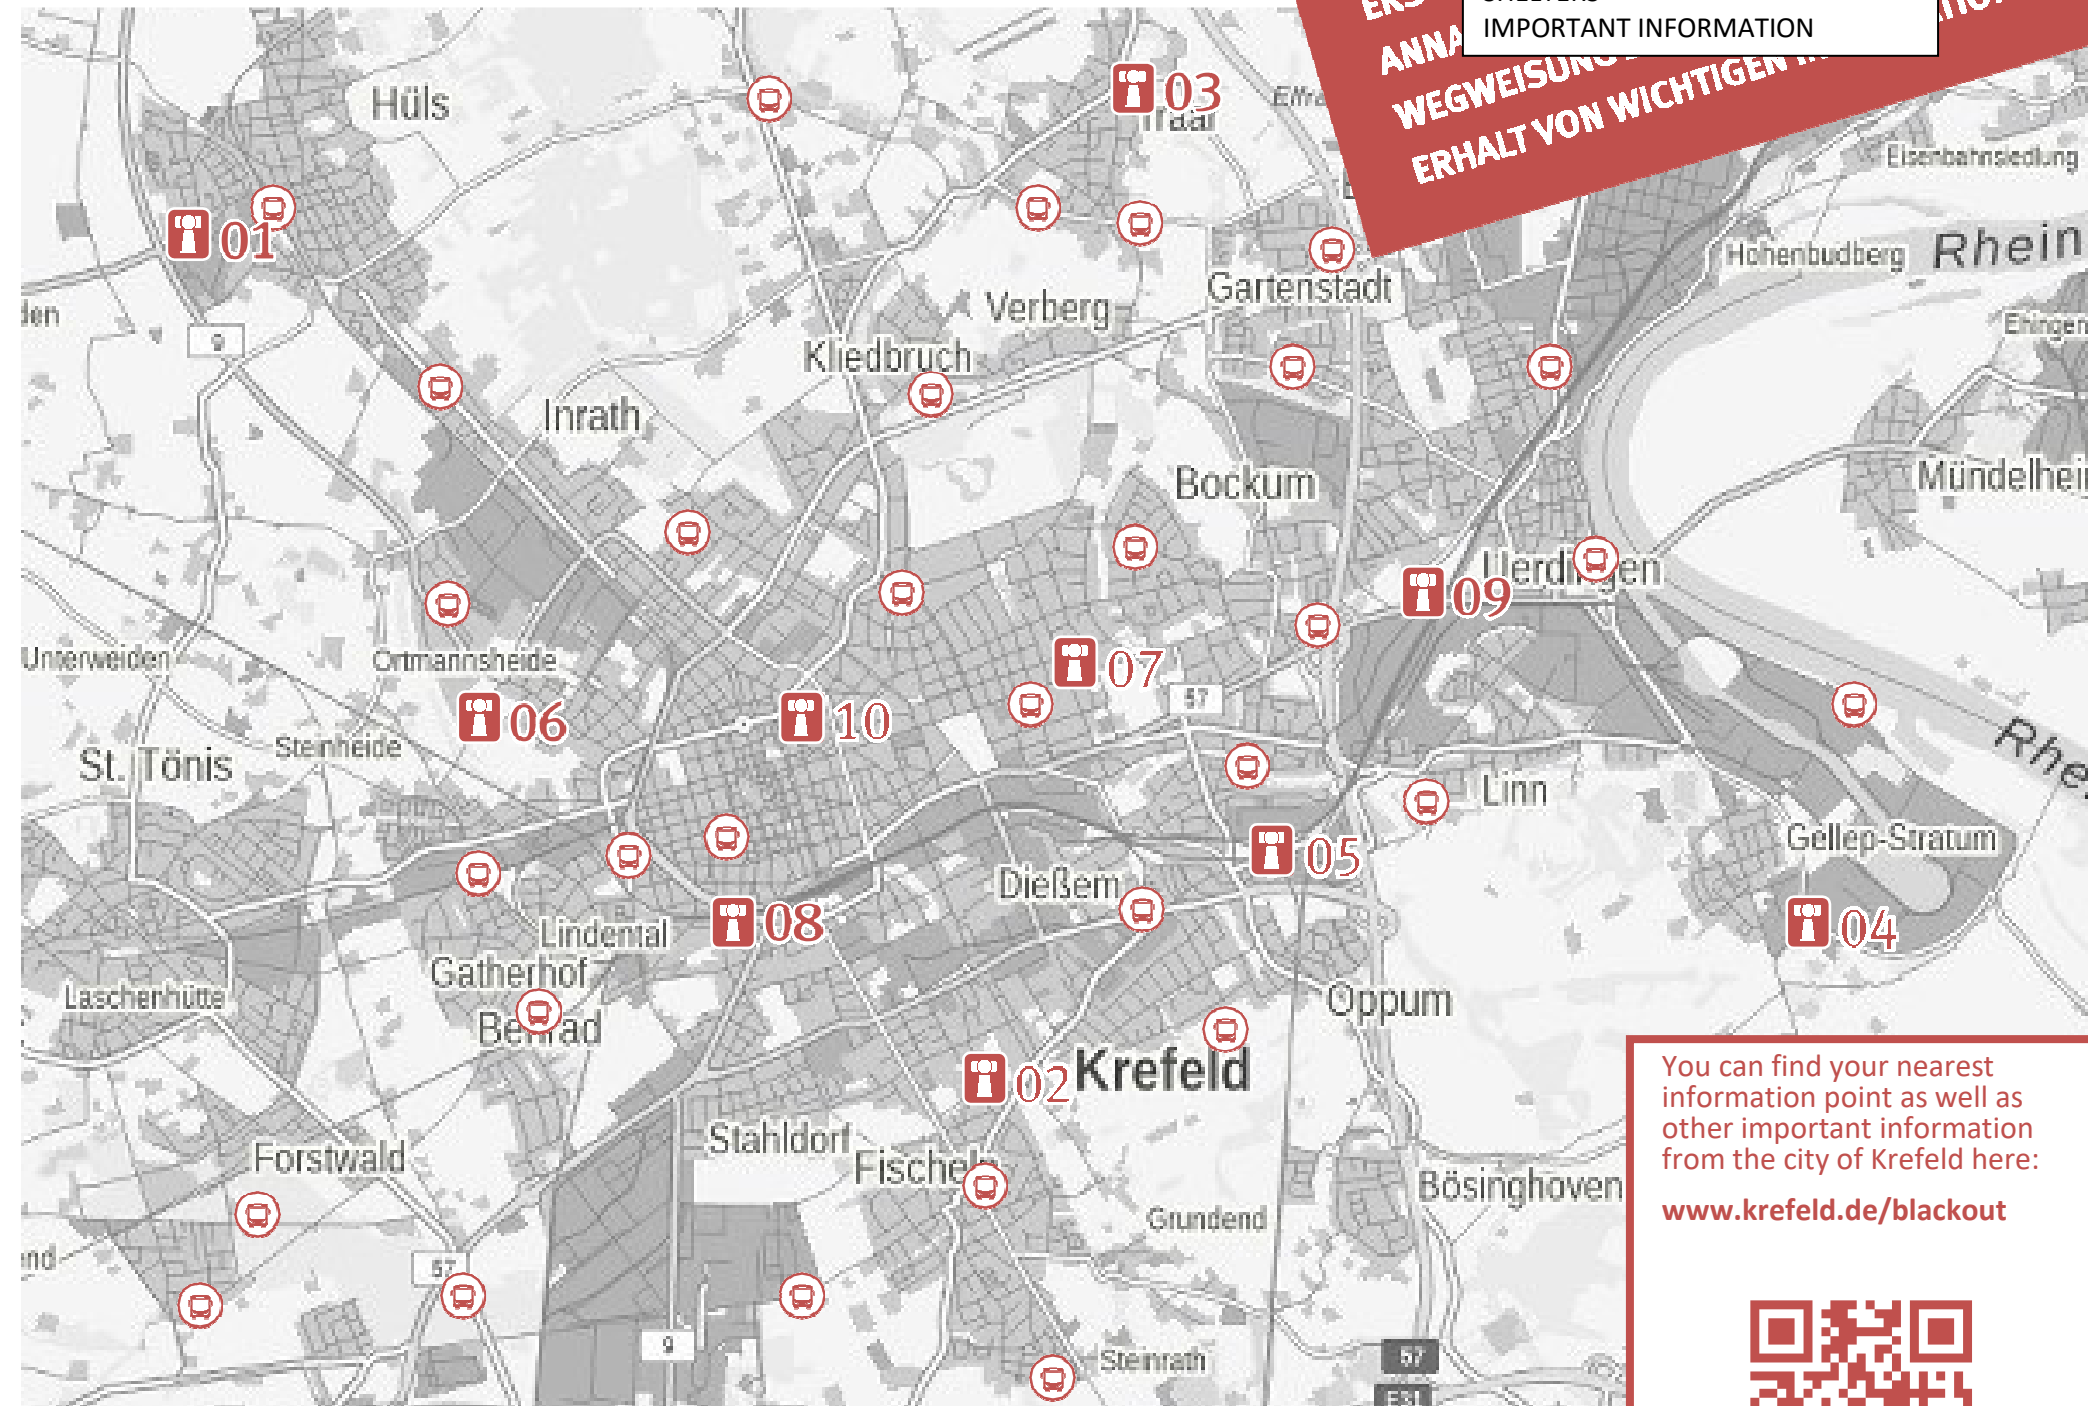

In our blackout shelters, we are also available as a contact partner in the event of a prolonged power outage. In these shelters you will find hot drinks, medical care and advice, regulatory services, police enforcement services and a modified range of citizen services.

You can find further information on the set-up of these blackout shelters and the services offered at:

# INFORMATION POINTS IN THE CITY

Our map shows the blackout shelters as well as all 30 information points. In the event of a prolonged power outage, the information points are distributed throughout the city at selected SWKmobil bus stops. In a warm bus there at the bus stop, you can make emergency calls and receive central information from the city administration.

You can find your nearest information point as well as other important information from the city of Krefeld here:  
[www.krefeld.de/blackout](http://www.krefeld.de/blackout)
